

## Compliance Statement

### multiFlon® multidirectional ePTFE membranes

We hereby declare,

that **multiFlon® multidirectional ePTFE membranes** meet the requirements of Regulation (EU) 2019/1021 for PFOA and PFOS and its salts and derivatives.

The final product has been tested and certified according to:

- **Regulation (EU) 2019/1021– PFOA, its salts and related compounds Testing**  
**Limits: PFOA < 25 ppb (µg/kg) / PFOA related substances < 1000 ppb (µg/kg)**  
Test Reports: FUHLCP2020-05456  
Test Results: not detectible (n.d. = not determinable < LoQ)
- **Regulation (EU) 2019/1021 – PFOS and its salts and derivatives Testing**  
**Limit: < 1 µg/m<sup>2</sup>**  
Test Reports: FUHLCP2020-05456  
Test Results: not detectible (n.d. = not determinable < LoQ)

Rott am Inn, 12<sup>th</sup> of April 2022
